3D Systems Launches New Investor Relations Website

ROCK HILL, South Carolina – May 25, 2011- 3D Systems Corporation (NASDAQ:TDSC) announced today the immediate availability of a new investor relations website designed to improve user experience, navigation and access. The new site was launched as part of the company's migration to the New York Stock Exchange and is integrated into the [3D Systems](#) corporate website for seamless navigation and can be accessed by clicking www.3dsystems.com/ir.

"We are pleased to offer to our investors and analysts the latest tools and capabilities to enhance their ability to follow our progress," said Stacey Witten, Investor Relations Manager, 3D Systems. "With the growing interest in 3D content-to-print products and solutions we are doing our part to improve access and transparency to our company."

About 3D Systems Corporation

3D Systems is a leading provider of 3D content-to-print solutions including 3D printers, print materials, creative printable content development, curation and downloads and on-demand custom parts services for professionals and consumers alike. Its expertly integrated rapid prototyping and manufacturing solutions reduce the time and cost of designing new products and printing real parts directly from digital input. These solutions are used to design,

communicate, prototype and produce functional end-use parts empowering our customers to create with confidence.
